

6TH COMMANDMENT

THERE IS A TIME FOR EVERY PURPOSE UNDER HEAVEN.

“Life is all about timing...the unreachable becomes reachable, the unavailable become available, the unattainable...attainable. Have the patience, wait it out.”

POWER TRUTH

¹There is a time for everything, and a season for every activity under the heavens:

Ecclesiastes 3:1

GOD’S TIMING

Although God is not limited or constrained by time He does place a high regard on timing. Time is seconds and minutes passing by like a ship sailing swiftly away in the sea. Timing on the other hand is God’s system of how and when He plans to usher blessings into your life.

God knows best! He wants you to have the best that life has to offer. However, God will only bring you what you need when He knows that it is the right timing for you to be able to receive it.

Timing on the other hand is God’s system of how and when He plans to usher blessings into your life.

6th Commandment

Everybody cannot receive the blessings of the Lord at the same time. Your ability to receive the blessings of God will depend much upon your level of maturity. If you are immature then you will ruin the blessing that God puts in your hands.

You will waste the blessing. Would you give your five year old the keys to your brand new car, and let him or her take it around the block for a quick spin? If you would, then you need to be thoroughly examined by a psychiatrist.

If you are immature then you will ruin the blessing that God puts in your hands. You will waste the blessing.

It's no different with God. God won't put Himself in a position of ever having to be examined by anybody because of sheer negligence. God is a responsible God. That is why He does not care how much you bicker, cry, complain, whine, and argue.

You are going to get what you need when He knows within Himself, that you can handle it. The situation revolves totally around you. You have to be ready. When God gets ready to move, He moves whether you like it or not.

God's timing is all about God's purpose. No matter how hard you try, you cannot manipulate God's purpose. His purpose is in direct alignment with His plans for you and how those plans integrate harmoniously together to advance the kingdom of God in the earth.

Don't get limited (in time), by what is going on now. And don't become a slothful person waiting around for the future. God lives in the eternal now. If you live your days intentionally to maximize your potential and the potential in others today, your tomorrow will be fine.

But don't get so caught up into tomorrow's promise that you forget to eat today's daily bread.

God uses His prophets to teach people how to live. Your future is ever so promising. But don't get so caught up into tomorrow's promise that you forget to eat today's daily bread. Everything that God promises will come to pass. That is a guarantee.

However, just because it doesn't come when you want it to or how you want it to, does not invalidate God's Word. Every Word of God is yes and Amen. The Words of the Lord are sure. But you will only be able to rest in

that truth when you realize that God is not going to speed up the process. He's going to do it when He so chooses, in His own time.¹

To everything there is a time and season. The scriptures that you just read are living proof that everything that is, came into existence through God's system of timing. The answer to all of these questions and many more like them are—GOD'S TIMING. Everything is all about God's timing. One of the surest ways to miss God's timing for your life is to complain and to murmur during your wilderness or dry season.

for your life is to complain and to murmur
during your wilderness or dry season.*

In the dry seasons of your life, when it does not appear to be raining at all, you have to keep a positive disposition and attitude knowing that all things are working together for your good. Remember that whatever God begins in you, He will finish it. God began a work with the Nation of Israel.

WHAT NOW

1. Are there areas of impatience that you need to repent of?
2. What are the things of the past that you cannot let go of?
3. What are things you are holding on to that you know God wants you to surrender to Him?
